

# Whatever You Want

## Status Quo

Whatever you want, whatever you like  
Whatever you say, you pay your money  
You take your choice, whatever you need  
Whatever you use, whatever you win, whatever you lose You're showing off, you're showing out  
You look for trouble turn around give me a shout  
I take it all, you squeeze me dry  
And now today you couldn't even say goodbye I could take you home  
On the midnight train again  
I could make an offer you can't refuse Whatever you want, whatever you like  
Whatever you say, you pay your money  
You take your choice, whatever you need  
Whatever you use, whatever you win, whatever you lose You're showing off, you're showing out  
You look for trouble turn around, give me a shout  
I take it all, you squeeze me dry  
And now today you couldn't even say goodbye I could take you home  
On the midnight train again  
I could make an offer you can't refuse Whatever you want, whatever you like  
Whatever you say, you pay your money  
You take your choice, whatever you need  
Whatever you use, whatever you win  
Whatever you lose, whatever you want
