Freaky Like Me

Madcon

Freaky like me, freaky like me, freaky like me, me, me
Freaky like me, freaky like me, freaky like me, me, me
It was early in the morning, I hear the shower running
I almost can't remember who this girl might be
And then she came back, I couldn't believe my eyes
This pretty young thang with her eyes on me
I know you like it when I put my hands like that
Whisper in your ear, tell me how you like that
Gettin' freaky, eaky, that's what I do best
So come a little closer, come a little closer
No one's gonna do you as freaky like me
Freaky like me, freaky like
Freaky like me, freaky like me
Freaky like me, me, me, no one
No one's gonna do you as freaky like me
Freaky like me, freaky like
Freaky like me, freaky like me
Freaky like me, me, me, no one
I'm feeling up her thighs as I'm running down her curves
I hear my kitty purr as she laid on me
We winding and grinding, a part of me is rising
Baby, you're like a fire burning all around me
I know you like it when I put my hands like that
Whisper in your ear, tell me how you like that
Getting freaky, eaky, that's what I do best

So come a little closer, come a little closer
No one's gonna do you as freaky like me
Freaky like me, freaky like
Freaky like me, freaky like me
Freaky like me, me, me, no one
Shawty, no one ever, ever, ever could do
Do you as good as freaky as I do
Shawty, no one ever, ever, ever could do
Do you as good as freaky as I do
You got me going crazy when you do me like that
Your freaky, eaky got me hooked right on track
Every time you leave I wanna put you right back
Turn back, I need that, no one can freak me like that

Ameerah, Madcon, Ey
No one can freak me like that, come on
No one's gonna do you as freaky like me
Freaky like me, freaky like
Freaky like me, freaky like me
Freaky like me, me, me, no one
No one's gonna do you as freaky like me
Freaky like me, freaky like
Freaky like me, freaky like me
Freaky like me, me, me, no one
