

# Glow In the Dark

## The Wanted

I was on it from the get go  
The way you stood out from the crowd  
Still shining with the lights low  
Even when the sun goes down When you move, my eyes are locked on you  
So stuck, I'm hypnotized.  
it's the way you shine Cause it's like the strobe light's not as  
Bright as you are, you're the only one  
That I can see from afar and I follow the  
Rays until I get to your heart, I just gotta  
Know who you are You glow in the dark  
You glow in the dark  
You glow in the dark  
You glow in the dark  
(I can see you)  
Glow in the dark Shocked me like electro  
The way you put it down  
I should've came here with my  
Shades on, cause I'm blinded  
By you now When you move, my eyes are locked on you  
So stuck, I'm hypnotized.  
it's the way you shine Cause it's like the strobe lights not as  
Bright as you are, you're the only one  
I can see from afar, and I follow the rays  
Until I get to your heart, I just gotta know  
Who you are You glow in the dark  
You glow in the dark  
You glow in the dark  
You glow in the dark  
(I can see you)  
Glow in the dark Glow in the dark  
Glow in the dark  
Glow in the dark  
Glow in the dark  
Glow in the dark  
Glow in the dark
