

# Who Did That To You?

## John Legend

Yeah, Now I am not afraid to do the Lord's work  
You say vengeance is here but I'mma do it first  
I'm gonna handle my business in the name of the Lord, Ooooh  
Now they made you cry oh I gotta know  
if he's not ready to die, he best prepare for it  
My judgment's divine I'll tell you who you can call, you can call  
You better call the police, call the coroner, call up your priest  
Have them warn ya, won't be no peace, when I find that fool  
Who did that to you, Yeah?  
Who did that to you, My baby, Who did that to you  
Gotta find out fool, who did that to you?  
Now I don't take pleasure in a man's pain  
But my wrath will come down, like a cold rain  
And there won't be no shelter, no place you can go  
Eeeeh, heeey, It's time to put your hands up, time for a surrender  
I'm a vigilante, my love's defender

You're a wanted man, here everybody knows, yeeeah  
You better call the police, call the coroner, call up your priest  
Have them warn ya, won't be no peace, when I find that fool  
Who did that to you, Yeah?  
Who did that to you? My baby, Who did that to you?  
Gotta find out fool, who did that to you?  
He'll keep on running but, I'm closing in  
I'll hunt him down until the bitter end  
If you see me coming man, who are you gonna call? Yeeah  
You better call the police, call the coroner, call up your priest  
Have them warn ya, won't be no peace, when I find that fool  
You better call the doctor, call the lawyer  
I'll chase him all the way to California  
Get my hey yea, gonna find that fool  
Who did that to you?
