

Sand River

Beth Gibbons & Rustin Man

Autumn leaves
Beauty's got a hold on me
Autumn leaves
Pretty as can be Everybody knows this time
Shadows are driftin' in silence
Where lost can't be found
Everybody knows this time You'll get by, move it on and let fate decide
And those watercolored memories
Soft as a summer's breeze
You're as pretty as can be Knowing, now you'll never fake it
Whether my oceans divide
I'll try to understand this
But everybody knows this time Autumn leaves
Beauty's got a hold on me
Autumn leaves
Pretty as can be Everyone can see
Everyone except me Autumn leaves
Beauty's got a hold on me
Autumn leaves
Pretty as can be
Pretty as can be
