

You're Mine (Eternal) [Remix] [feat. Trey Songz]

[Mariah Carey](#)

Mine (Ma-ine)
Mine
Mine (You're ma-ine)
Mine I can't seem to live without your love
Suffocating here by myself dying for your touch
Spring time eyes that get you every time
And I just can't seem to give you up you're mine You make me feel
Our love would never end
How can I forget
Baby we were the best
Suffered dreams of you all through the night
And baby I can't seem to give you up you're mine I can't seem to give you up you're mine (baby you're mine)
I can't seem to give you up you're mine Summer days and summer nights
When I felt you in my arms
Didn't I want you badly
Wanted to let you have me Autumn days and stormy nights
When you crushed me with your charms
Didn't I need you madly
Now I'm lying here falling apart I can't seem to live without your love
Suffocating here by myself dying for your touch
Spring time eyes that get you every time
And I just can't seem to give you up you're mine Boy you make me feel
Our love would never end
How can I forget
Baby we were the best
I suffer dreams of you all through the night
And baby I can't seem to give you up you're mine I can't seem to give you up you're mine (baby you're mine)
I can't seem to give you up you're mine Oh, you make me feel
Like love would never end
Tell me how can I forget that
My baby we were the best
I suffer in dreams of you all through the night
And baby I can't seem to give you up you're mine I can't seem to give you up you're mine
I can't seem to give you up you're mine
