Streets Is Callin'

B2K

Yea, once again
ListenI've been goin' through some things
I struggle with my inner man
I hustle, I'll do what I can to get this money
I know I promised you some things
There's gotta be a better way
It's not easy to make that change
The streets keep callin' meLast night tryin' to make it home
I get this call on my phone
Stop yellin', slow down
I can't understand a word you sayin'Did ya say my nigga got hit?
Did ya say he didn't make it?
Please tell me you know who did this
I'm on my way and somebody's gonna get itI've seen him pleading
It's out of the question girl, it's on, oh
I don't wanna hear this shit right now
When they just stretched my nigga outI've been goin' through some things
I struggle with my inner man
I hustle, I'll do what I can to get this money
I know I promised you some things
There's gotta be a better way
It's not easy to make that change
The streets keep callin' meBy my name sayin' how you gonna get paid
No education, it 'cause minimum wage
Minimum wage equals minimum pay
And you know real niggas wanna playWon't you come on and move this way?
School don't guarantee a higher pay
That's the shit that'll get me locked away
Man they tryin' to give a nigga all dayNow I'm out here every night comin' in late
If you slip then I'm comin' for the take
It's goin' fast and I need to hit the breaks
The greater the risk, the more you makeAll my thoughts are in the house
What about just shuttin' down
But girl I really can't quit right now
Notice when I do they tryin' to throw us outI've been goin' through some things
I struggle with my inner man
I hustle, I'll do what I can to get this money
I know I promised you some things
There's gotta be a better way

It's not easy to make that change
The streets keep callin' meAlthough I was raised right
Still these streets ain't nothin' nice
They can't change the cost of life
And you know that I know
That I must grow to see my kids grow
But still the streets is all I knowI've been goin' through some things
I struggle with my inner man
I hustle, I'll do what I can to get this money
I know I promised you some things
There's gotta be a better way
It's not easy to make that change
The streets keep callin' meI've been goin' through some things
I struggle with my inner man
I hustle, I'll do what I can to get this money
I know I promised you some things
There's gotta be a better way
It's not easy to make that change
The streets keep callin' meI've been goin' through some things
I struggle with my inner man
I hustle, I'll do what I can to get this money
I know I promised you some things
There's gotta be a better way
It's not easy to make that change
The streets keep callin' me
