

Call On Me

Next

Call on me whenever you feel freaky
I'm all you need, so come on, come see me
Call on me whenever you feel freaky
I'm all you need, so come on, come see me On the phone you sure talk a good game
Say, "I'll be callin' out your name"
Well, I shouldn't be the one to blame
When I proceed to knock it straight up out the frame
We got the tanquery, the OJ, the lingerie
We're in white lane, by the fireplace, baby
Dirty movies, I bring the treats, you're so sexy
I know you're horny and you're wanting me so just Call on me whenever you feel freaky
I'm all you need, so come on, come see me
Call on me whenever you feel freaky
I'm all you need, so come on, come see me At your house I'm so aroused, I want it now
Now I'm buzzin', we start touchin'
We've been toastin' and jokin',
I've chosen [Incomprehensible] to get you open
Bedroom, bedroom, backyard
On the car, your garage
Against the wall, in the hall
Who'd a thought, we'd do it all Call on me whenever you feel freaky
I'm all you need, so come on, come see me
Call on me whenever you feel freaky
I'm all you need, so come on, come see me No surprises by the time
The sun rises, I'll be gone
Let the memories be a lullaby anytime
You're all alone
Just pick up the phone and call on me Call on me
If you're all alone, all you gotta do is
Call on me
When the kids are gone and you need someone you can
Call on me
There's no need to be alone baby, you can pick up the phone
Call on me
When you're sittin' there and you need something
And you know what it is, baby
Call on me
I care, I'm right here waiting on you, I'll be right there with you
Call on me

Anything you need I'll be your Mr. Serve you up
Call on me
