Hong Kong Garden

Uffie

Harmful elements in the air
Symbols crashing everywhere
Reaps the field of rice and reeds
While the population feedsJunk floats on polluted water
An old custom to sell your daughter
Would you like number 23?
Leave your yens on the counter pleaseLa la la la, la la la
Whoa, oh
La la la la, la la la
Whoa, oh
Hong Kong GardenTourists swarm to see your face
Confucius has a puzzling grace
Disorientated, you enter in
Unleashing scent of wild jasmineSlanted eyes meet a new sunrise
A race of bodies small in size
Chicken chowmein and chopsuey
Hong Kong Garden takeawayLa la la la, la la la
Whoa, oh
La la la la, la la la
Whoa, oh
Hong Kong GardenLa la la la, la la la
Whoa, oh
La la la la, la la la
Whoa, ohHong Kong Garden
Whoa, oh
Hong Kong Garden
