This Love

Caroline Dare

Once upon a time
We had a story
We had it all
He was my everything
Sometimes I look back
On what we had
I question if I still have feelingsIs this wrong?
Should I move on?
Am I better alone?
Should I just go?
I don't know what to say
He doesn't feel the same way
Should I go away?
Save it for another day
But I wanna let him know that IStill wear his hoodie
From late last year
I shed a couple tears
As I wish he was here
Yeah I'm falling in
I miss the touch of his skin
And I wish I said what I didn't
I miss this love
I miss this loveThe way he looked at me
Passenger seat
He got lost and it didn't matter to me
We talked about
Everything
It's funny how it can turn
Into nothing
But I wanna let him know that IStill wear his hoodie
From late last year
I shed a couple tears
As I wish he was here
Yeah I'm falling in
I miss the touch of his skin
And I wish I said what I didn't
I miss this love
I miss this loveTake me back, take me away
I wanna go back to those brighter days

Kiss me in the pouring rain
Miss me when I've gone away
Take me back, take me away
I wanna go back to those brighter days
Kiss me in the pouring rain
Miss me when I've gone away
And I wanna let him know that IKept his hoodie
From late last year
I shed a couple tears
And I miss him here
Yeah I'm falling in
I miss the touch of his skin
And I wish I said hat I didn't
I miss this love
I miss this love
I miss this love
