

# That's What's Up

## Keef Courage

G-Unit, G-Unit, G-Unit  
G-Unit, G-Unit, G-Unit  
G-Unit, G-Unit, G-Unit  
G-Unit, G-Unit, G-Unit  
G-Unit nigga that's what's up  
I blast 50 Cent nigga that's what's up  
Right now my life movin' to fast to stop and pray  
See every now and then I smile just not today  
In my hood they let the choppers spray  
Somebody probably got shot today  
I named 'em pop when niggas surfboard  
You ain't stoppin' me dawg  
Only time you left ya hood is on Monopoly boards  
You grimey as birds shittin' on the top of ya Fords  
You will, die by the gun if you ain't droppin' ya sword  
I got tattoos as well as lead marks  
To me fucking is kinda like racin' and I always get a head start  
My opinion of a sweet dream is a dead NARC  
Just yesterday guns is blastin' with red darts  
Beef, you a target 'cause when we come at yo ass  
Aladdin won't be the only one the carpet  
Man, you wanna play wit' a ringer  
I ain't a people's person  
I'll give my next door neighbor the finger  
(Fuck you)  
Even though I got the shit in the stores  
I'm like a nigga that borrow clothes  
Bitch, I'm tryin' to get in ya draws  
Man, I'll dump a whole clip in ya mans braids  
Pussies love Nelly, he made it look cool to wear band aids  
I'm blowin' on damn haze  
All of a sudden I'm gased, 'cause I'm on the radio and I can't wait  
If you ain't up on thangs  
Lloyd Banks is the name, G-Units the game

Now I know to keep low when the heat blow  
I'll have niggas post up on ya block like I'm shootin' the free throw  
Still get the green from P-dro, better known as Pedro  
I'm ghetto like a patty ya egg roll  
Yeah, they feinin' to stick me  
They don't know the meanings is wit' me  
Snuck in wit Christina and Brittney  
You only spend time at the mall  
On New Years eve a body drops around  
The same time as the ball  
(Yeah)  
G-Unit, G-Unit, G-Unit  
G-Unit, G-Unit, G-Unit  
G-Unit, G-Unit, G-Unit  
G-Unit, G-Unit, G-Unit  
G-Unit nigga that's what's up  
  
G-Unit nigga that's what's up  
That's what's up  
Keep thinkin' I'm candy ain't nuttin' sweet about me  
Nigaas talkin' in the pens and in the street about me  
Some jake, tryin' to watch every move I make  
'Cause my Deez'll make fiends do the up-town shake  
I'm a pro, far from a amateur  
Holdin' more keys than your fuckin' janitor  
They say, "God bless the child that could hold his own"  
You pay cops to hold you down, I just hold the chrome  
Every breath I take, every step I take, every move I make  
I got a ruger on my hip  
You ain't gotta like or love me but you gone respect me  
You need a fifth and 2 clips to try and check me  
12 in the afternoon we can start the clappin'  
Look homie I'm down for that day-time action  
Keep thinkin' it's a game time in front of ya home  
Get the drop on that ass and shot shadder ya bones  
(Yeah)  
G-Unit, G-Unit, G-Unit  
G-Unit, G-Unit, G-Unit  
G-Unit, G-Unit, G-Unit  
G-Unit, G-Unit, G-Unit  
G-Unit nigga that's what's up

G-Unit nigga that's what's up  
G-Unit nigga that's what's up  
G-Unit nigga that's what's up  
G-Unit nigga that's what's up  
G-Unit nigga that's what's up  
Listen boy, Tony be the real McCoy  
When hoes see the new toy, they jump for joy  
And even though the kid rappin'  
I still got fiens in the hood puffin' on that Magic Dragon  
My guns under my pillow, I sleep wit' my shoes on  
Every single night me and my mack get our groove on  
Don't get moved on  
'Cause I shoot through your biceps your triceps  
Then breeze through ya projects when the coke come back  
It's the China White and the D don't sweat us in a bag a rice  
Let's ride O T and burn the tape  
I got this bad mommy, her mouth's a sperm bank  
Since Yayo be a fearless man  
I donate my heart to them niggas that ran  
And those niggas in the hood don't wanna see me famous  
They rather see my moms make funeral arrangements  
I got enough rhymes, to fill 6 notebooks  
I been spittin' that shit ever since coke crushed  
You can hear me on your T.V. and radio at the same time  
I never ever say the same rhyme, it's Tony 2 times  
Beware of my wraith, I'm gone school you niggas, prepare for class  
Yo I peep where your puns at, peep where you pumped that  
Money you tryin' to stack I spent it on blunt wraps  
Word to my mother nigga 50 fuckin' Cent nigga, G-Unit nigga  
We about to gorilla this industry man  
Y'all niggas better know, y'all niggas better fear us nigga  
Word to my mother nigga, fuck y'all niggas wanna do  
1 2 4 nigga G-Unit, 50 Cent, Tony Yayo  
Lloyd Banks nigga
