

# We Are One (The Nexus Theme)

## 12 Stones

We walk alone  
In the unknown  
We live to win another victory  
We are the young  
Dying sons  
We live to change the face of history so be afraid  
It's the price we pay  
The only easy day was yesterday  
So hear our voice,  
We have a choice,  
It's time to face itWe are one  
We are one  
We are one  
We will stand together  
Number one  
Number one  
The chosen ones  
We are one  
We are one  
We will fight forever  
We are one and we won't tireWe are the bold  
United souls  
We live to win another victory  
Our sacred scars  
Show who we are  
And tell the story of our memoriesDon't be afraid  
It's the price we pay  
The only easy day was yesterday  
So hear our voice  
We have a choice  
It's time to face itWe are one  
We are one  
We are one  
We will stand together  
Number one  
Number one  
The chosen ones  
We are one  
We are one

We will fight forever  
We are one and we won't tire We walk alone  
In the unknown  
We live to win another victory  
Our sacred scars  
Show who we are  
It's time to face it So be afraid  
It's the price we pay  
The only easy day was yesterday  
So hear our voice  
We have a choice  
It's time to face it We are one  
We are one  
We are one  
We will stand together  
Number one  
Number one  
The chosen ones  
We are one  
We are one  
We will fight forever  
We are one and we won't tire
