Shy Glizzy

Swish, I'm balling
I'm so awesome
Old bitch keep calling
She think I'm awesome
Jackboys wanna rob me
I'm so awesome
Out here like a possum
I'm so, I'm so awesome

Young Jefe, I got boats you can sail away
Dope boy, you are not my friend, you need to get away
Call up my driver tell him scoop me in his Escalate
Night Sunday, bet 1000 bucks on Tampa Bay
Got a lot of spots like a motherfucking cheetah
All we do is trap, my OGs still got beepers
Bad little kitty momma took my ass to jeepers
Tryna get a ticket like no money in the meterSwish, I'm balling

Old bitch keep calling
She think I'm awesome
Jackboys wanna rob me

Chickens in my coupe, it's a fucking chicken coop
Young nigga a fool, I just saw the boo
My bitch, she so cute, that's my little boo
She from down in Austin, her family balling
Baby, I'm a stunter, just like Stone Cold Steve Austin

One bitch gave me blue balls, I think she from Slauson
Walking around with two dogs, boom, John Wallin
Higher then a blimp, leaning like a pimp
40 by my Fendi, got me walking with a limp
I'm not signing no bitch unless she nasty like Lil Kim
