

# Butterfly Fly Away (feat. Billy Ray Cyrus) [Live]

[Miley Cyrus](#)

You tucked me in, turned out the light  
Kept me safe and sound at night  
Little girls depend on things like that  
Brushed my teeth and combed my hair  
Had to drive me everywhere  
You were always there when I looked back  
You had to do it all alone  
Make a living, make a home  
Must have been as hard as it could be  
And when I couldn't sleep at night  
Scared things wouldn't turn out right  
You would hold my hand and sing to me  
Caterpillar in the tree,  
How you wonder who you'll be  
Can't go far but you can always dream  
Wish you may and wish you might  
Don't you worry, hold on tight.  
I promise you there will come a day  
Butterfly, fly away  
Turned around and you were there  
The two of us made quite a pair  
Daddy's little girl was here at last  
Looked away and back again  
Suddenly a year was ten  
Don't know how it got so far so fast  
Butterfly, fly away (butterfly, fly away)  
Got your wings, now you can't stay  
Take those dreams and make them all come true  
Butterfly, fly away (butterfly, fly away)  
You've been waiting for this day  
All along you've known just what to do  
Butterfly, butterfly, butterfly  
Butterfly, fly away  
Butterfly, fly away
