

A Message to the Unknown

Blessthefall

Son of god, let me feel you
Son of god, let me taste you
Boundaries are starting to fall
Conceiving has already started
Kissing, caressing, indulge
Is this really what you wanted? No, I just don't know
If I can
No, I just don't know
If I can
Is this really what you wanted?
Is this really what you, yeah Even though, I don't know you
I know for sure, I love you
Anything that you'll ever need
I'll try my best, to give everything I tell myself its nothing
I tell myself its nothing, almost nothing Close your eyes, and take my hand
We will rise, once again
Close your eyes, and take his hand
We'll be home, once again
That's my father
