Signal Froze

Milemarker

The shipwreck survivors contemplate their icy tomb.
Captain abdicates command over the intercom.
No signals received on the radio, they'll send a search party when it thaws.
They'll send a search party. right?
My S.O.S. smoke signals froze and clattered down in cloudy ice cubes.
Turn on the microwave and defrost the world.
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
