Face

Rick Ross

I fuck 'em once, I fuck 'em twice
I fuck 'em three times, change your life
Nine times outta ten, it's a big body Benz
With a real nigga in it, ride if you wanna win
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face
Nine times outta ten you wanna fly yellow thang
That can entertain, make it in my yellow chain
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face
Sellin' dope, countin' money keeps my dick hard
Time to bust it wide open for a big boy
Big yellow thang, all black boots
Money like Mariah, Rihanna hair due
Mind on the money but this bitch so fine
Took my eyes off the money, watch this bitch the whole time
Mind on the money but this nigga so fly
Time to jump up in that Benz and ride that thang the whole time
I'm gettin' face, I'm gettin' face
Doing twenty miles per hour 'cause I'm gettin' face
I'm gettin' face, I'm gettin' face
Sittin' at the green light 'cause I'm gettin' face
Nine times outta ten, it's a big body Benz
With a real nigga in it, ride if you wanna win
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face
Nine times outta ten you wanna fly yellow thang
That can entertain, make it in my yellow chain
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face

I'm gettin' face, I'm gettin' face
I'm gettin' face

I does it like a boss every time I pull it out
'Cause she catch it like a glove but it's all over her mouth
Excellent face, excellent pase
Number one nigga, baby, you got excellent taste
Nice condo, I'm talking forty flows
It's only me and Gucci maybe forty hoes
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
If I fuck 'em more than once, baby gettin' lace
She gotta car, she gotta job
She's a lucky girl, my shinning star
Nine times outta ten, it's a big body Benz
With a real nigga in it ride if you wanna win
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face
Nine times outta ten you wanna fly yellow thangs
That can entertain, make it in my yellow chain
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face
Nine times outta ten you wanna fly yellow thang
That can entertain, make it in my yellow chain
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
Sittin' at the green light 'cause I'm gettin' face
I'm gettin' face, I'm gettin' face
I'm gettin' face, I'm gettin' face
I fuck 'em once, I fuck 'em twice
I fuck 'em three times, change your life
