Love Me Two Times

Joan Jett

Love me two times, baby
Love me twice today
Love me two times, baby
Well, I'm goin' awayLove me two times, baby
One for tomorrow, one just for today
Love me two times
I'm goin' awayLove me one time
Could not speak
Love me one time, baby
Yeah, my knees got weakLove me two times, baby
Last me all through the week
Love me two times
I'm goin' awayLove me two times
I'm goin' away, oh, yesLove me two times, baby
Love me twice today
Love me two times, baby
Well, I'm goin' awayLove me two times, baby
One for tomorrow, one just for today
Love me two times
I'm goin' awayLove me two times, baby
Love me twice today
Love me two times, baby
Well, I'm goin' awayLove me two times, baby
One for tomorrow, one just for today
Love me two times
I'm goin' awayLove me two times
Well, I'm goin' away
Love me two times
I'm goin' away
