

Zebra (UK Radio edit)

Beach House

You know you're gold, you don't gotta worry none
Oasis child, born and so wild
Don't I know you better than the rest
All deception, all deception from you Your love is stag in the white sand
Wilderness for miles, eyes so mild and wise
Don't I know you better than the rest
All deception, all deception from you Any way you run, you run before us
Black and white horse arching among us Your love is stag in the white sand
Oasis child born into a man
Don't I know you better than the rest
All deception, all deception from you Wilderness for miles, eyes so mild and wise
Oasis child, born and so wild
Don't I know you better than the rest
All deception, all deception from you Any way you run, you run before us
Black and white horse arching among us
