

# Making Christmas

## Silas Ciarán

This time, this time, making Christmas, making Christmas  
Making Christmas, making Christmas, making Christmas is so fine  
It's ours this time and won't the children be surprised?  
It's ours this time  
Making Christmas, making Christmas, making Christmas  
Time to give them something fun  
They'll talk about for years to come  
Let's have a cheer from everyone, it's time to party  
Making Christmas, making Christmas  
Snakes and mice get wrapped up so nice  
With spider legs and pretty bows  
It's ours this time  
All together that and this  
With all are tricks we're making Christmastime, here comes Jack  
I don't believe what's happening to me  
My hopes, my dreams, my fantasies  
Won't they be impressed, I am a genius?  
See how I transformed this old rat into a most delightful hat  
My compliments from me to you on this your most intriguing hat  
Consider thought this substitute, a bat in place of this old rat  
No, no, no, now that's all wrong  
This thing will never make a present  
It's been dead for much too long  
Try something fresher, something pleasant  
Try again, don't give up  
All together, this and that  
With all our tricks we're making Christmastime  
This time, this time, making Christmas, making Christmas  
La, la, la, it's almost here and we can't wait  
So ring the bells and celebrate 'cause when the full moon starts to climb  
We'll all sing out it's Christmastime
