

Born to Be Cyco

Suicidal Tendencies

cyco... cycocyco,cyco
cyco,cycothe cyco is the way i'm meant to be
the cyco is the only life for meburning,burning
burning,burningburning up can't you see
that that's the only life for meI'm burnin' up the fire blazes inside
I'm out of control now you better hideyou run around the corner
but the corner never ends
you scream(out), beg(shout)
the nightmare never endsyou turn around to see
what you saw before
you spin(round), fall(down)
now you see no moreraging,raging
raging,ragingraging mad like that thing
but that's the only life for meI'm raging mad
soon you will know
I'm burnin' up
from my head to toecyco,cyco
cyco,cycoIt's the only life i know
born to be cycoI'm cyco and my mind starts to bend
I'm out of control it seems to be the trendcyco,cyco
