

Mo' Pop

[Dot Allison](#)

You travel through my blood, coursing through my veins
And today, the memory like a shadow I can't shake
La premiere rencontre est arrive
Pense moi
Le silence de la mer
I confess you've got a hold on me
But I never fall this easily
Your history seems to shroud you like a plague
And you wonder why this thought keeps you awake
I never asked you to step inside my skin
I let you stay here haunting me within
La premiere rencontre est arrive
Quelque fois tu me causes
Pense moi
Toujours
Pense moi
Le silence de la mer
I confess you've got a hold on me
But I never fall this easily
I confess you've got a hold on me
But I never fall this easily
