

Electric Head, Pt. 2 (The Ecstasy)

Rob Zombie

Strip down core violate and paralyze
Flood my soul a coffee dreg - supersize
Slung low like a whore - yeah
Devil want some more - yeah
Cupid bought a gun - he gonna blow the fucker Yeah - I want it
Yeah - I need it
Yeah - I love it
Yeah - electric head
In your head
In your head - in you! Breakneck speed get a violent spinal crack'n
Back down to the chrome and feel the death wish
Attack'n
Hupcaps on your eyes - yeah
Cannot sympathize - yeah
A fistful of hair and a splinter in the mind Yeah - I want it
Yeah - I need it
Yeah - I love it
Yeah - electric head
In your head
In your head - in you! Too far gone see the freak apologize
Flood my soul a coffee dreg - supersize
Slung low like a whore - yeah
Devil want some more - yeah
Cupid bought a gun - he gonna blow the fucker Yeah - I want it
Yeah - I need it
Yeah - I love it
Yeah - electric head
In your head
In your head - in you!
