

Light One Candle (Live With Symphony Orchestra)

Peter, Paul & Mary

Light one candle for the Maccabees' children
With thanks that their light didn't die
Light one candle for the pain they endured
When their right to exist was deniedLight one candle for the terrible sacrifice
Justice and freedom demand
But light one candle for the wisdom to know
When the peacemaker's time is at handDon't let the light go out
It's lasted for so many years
Don't let the light go out
Let it shine through our love and our tearsLight one candle for the strength that we need
To never become our own foe
And light one candle for those who are suffering
Pain we learned so long agoLight one candle for all we believe in
That anger not tear us apart
And light one candle to find us together
With peace as the song in our heartsDon't let the light go out
It's lasted for so many years
Don't let the light go out
Let it shine through our love and our tearsDon't let the light go out
It's lasted for so many years
Don't let the light go out
Let it shine through our love and our tearsWhat is the memory that's valued so highly
That we keep it alive in that flame?
What's the commitment to those who died
That we cry out they've not died in vain?We have come this far always believing
That justice would somehow prevail
This is the burden, this is the promise
This is why we will not failDon't let the light go out
It's lasted for so many years
Don't let the light go out
Let it shine through our love and our tearsDon't let the light go out
It's lasted for so many years
Don't let the light go out
Let it shine through our love and our tearsDon't let the light go out
Don't let the light go out
Don't let the light go out
