Plasmatic

Zeromancer

Eat my self
From a silverspoon
Think I need some of that
Breathing room
Do you hear
The ringing in my ear
Am I the only one
Who can make myself
DisappearPlasmatic
What is wrong when your
Ego is a rose in bloom
Plasmatic
All I know is my
Ego is a room without a viewFed up of repeating myself
You are looking for something I haven't got
Fed ex dreams when things are too slow
Only let you know what you need to knowPlasmatic
What is wrong when your
Ego is a rose in bloom
Plasmatic
All I know is my
Ego is a room without a viewNow, now, now is the time, time, time
Now, now, now is the time, time, time
For you and me
Now, now, now is the time, time, time
Now, now, now is the time, time, time
For you and me
Now, now, now is the time, time, time
Now, now, now is the time, time, timePlasmatic
What is wrong when your
Ego is a rose in bloom
Plasmatic
All I know is my
Ego is a room without a viewPlasmatic
All I know is my Ego
Plasmatic
All I know is my Ego
Plasmatic
All I know is my EgoPlasmatic

What is wrong when your
Ego is a rose in bloom
Plasmatic
All I know is my
Ego is a room without a view
