Bad Time for Bonzo

The Damned

Bad time
You know I saw him in a movie with his leather on
Bad time
The fists were flying and the guns did roarBad time
You know I kinda liked the way, he sung his cowboy songs
Bad time
But I can't listen to them anymoreBad time for me, bad time for you
Bad time for Bonzo too
You know that Bonzo's always dreaming
He'd like you to be dreaming tooBad time for me, bad time for you
Bad time for Bonzo too
You know that Bonzo's always scheming
He'd like you to be scheming too
He'd like you to be scheming tooBad time
You know there was a time when no-one knew the fun he'd start
Bad time
As actors go he was an also ranBad time
But now old Bonzo's gone and got himself another part
Bad time
We'd best re-write the script while we canBad time for me, bad time for you
Bad time for Bonzo too
You know that Bonzo's always dreaming
He'd like you to be dreaming tooBad time for me, bad time for you
Bad time for Bonzo too
You know that Bonzo's always screaming
He'd like you to be screaming too
He'd like you to be screaming tooNo no no
No no no
No no noBad time for me, bad time for you
Bad time for Bonzo too
You know that Bonzo's always dreaming
He'd like you to be dreaming tooBad time for me, bad time for you
Bad time for Bonzo too
You know that Bonzo's always scheming
He'd like you to be scheming tooBad time for me, bad time for you
Bad time for Bonzo too
You know that Bonzo's always dreaming
He'd like you to be dreaming tooBad time for me, bad time for you
Bad time for Bonzo too

You know that Bonzo's always screaming
He'd like you to be screaming tooBad time for me, bad time for you
Bad time for Bonzo too
You know that Bonzo's always dreaming
He'd like you to be dreaming tooBad time for me
Bonzo is dreaming
Bad time for me
Bonzo is scheming
