

Dead Star

Muse

Shame on you
For thinking that you're an exception
We're all to blame
Crashing down to earth
Waisting and burning out, yeah
Fading like a dead star, wooo
One is coming your way
Yeah, it's coming your way
You used to be everything to me
But i'm tired of the fighting
Tired of the fighting
Shame on you
For thinking
You're all alone
If you want to make a wish you weren't
Failing to impress
Why can't you sleep with
Someone who'll protect you, yeah
One is coming your way
Yeah, it's coming your way
You used to be everything to me
But now i'm tired of the fighting
Tired of the fighting
Fighting yourself-----
+ First version
She'll know for thinking
Your with assumption
We're all to blame
Crashing down to earth
Wasting and burning out
Fading like a dead star
One is coming your way
Its coming your way
And you used to mean everything to me
And now your tired and shining
Tired and shining, burning up
They know you for thinking your all alone
If you want it you should learn
Fading to the ground
Why can't you sleep with
Someone who'll protect you
One is coming your way
Its coming your way
And you used to mean everything to me
And now your tired and shining

Tired and shining, burning up
