Noah's Ark

David Lynch

I know a song
I know a, know a s, know a s, know a song
I know a song
I know a, know a s, know a s, know a song
To sing,
On this dark night.
On this dark, dark, dark, dark, dark night
On this dark night.
On this dark, dark, dark, dark, dark nightIt's the song..
of love.
It's the song..
of love.
It's the song..
of love.I know a song
I know a, know a s, know a s, know a song
I know a song
I know a, know a s, know a s, know a song
to sing.
On this dark night
On this dark, dark, dark, dark, dark night
On this dark night
On this dark, dark, dark, dark, dark nightIt's the song..
of love.
It's the song..
of love.
It's the song..
of love.
