Noah's Ark

David Lynch

I know a song

I know a, know a s, know a song

I know a song

I know a, know a s, know a song

To sing,

On this dark night.

On this dark, dark, dark, dark night

On this dark night.

On this dark, dark, dark, dark nightIt's the song..

of love.

It's the song..

of love.

It's the song..

of love.I know a song

I know a, know a s, know a s, know a song

I know a song

I know a, know a s, know a song

to sing.

On this dark night

On this dark, dark, dark, dark night

On this dark night

On this dark, dark, dark, dark nightIt's the song..

of love.

It's the song..

of love.

It's the song..

of love.
