Trade it All

Earnest Pugh

Give me diamonds
Give me pearls
Give me fame
And I will trade it all for youYou can write me a lot of songs
And give me awards
But it really wouldn't matter because
I will trade it all for youI'd trade it x3
I will trade it all for you
I'd trade it (yes I would)
I'd trade it x2
I will trade it all for you
Though I drive a fancy car
Live in a nice home
Those are material things
I will trade em all for youYou can give me money
Cattle on a thousand hills
You can give me the world
I will trade it all for youI'd trade it (trade it)
I would trade (trade it)
I would, I would trade
All for youSilver and gold I would (trade it)
Riches untold (trade it)
Oh I would trade it all
All for you
Fortune and fame I would (trade it)
They must bow to your name Jesus (trade it)
Oh I would trade it all (trade it for you)
I refuse to gain the whole wide world (trade it)
To turn around and lose my soul (trade it)
I would trade it all for you (trade it for you)
I can't speak for nobody else
But I looked everywhereBut I couldn't find nobody to compare to you
I'll trade it all for you
I'll trade it all
I would trade it all for you
