Head Rag

Albert Collins

Here she come, yeah, with that head rag on
There she go, yeah, with that head rag on
Here she come, with that head rag onIf you're walkin' down the street, wavin' everybody see me
Sayin', "Hello there", walkin' in her stockin' feet
Here she come with that head rag onStayin' out all night long, talkin' 'bout anything
Doin' everything wrong, girl, oh, ohHere she come, yeah, that head rag on
There she go, yeah, yeah, with her head rag on
Here she come with that head rag on
