Smile

Onelinedrawing

One, Two
One, Two, Three, FourSo put it up on your face, Hallelujah
And these days will all go by
Anything I can do to help you through it
I just love to see you smileFaith, I've got Faith
But it's dangerous to worry so much
I shoulda known better,
than to get in your way
Hey, that's somethinHey ya, hey ya
Anything I can do it
[x2]So put it up on your face, Hallelujah
And these days will all go by
Anything I can do to help you through it
I just love to see you smileGrace, I like grace
And it's dangerous
to give in so much
I shoulda know better,
than to get in your way
Hey, that's somethinHey ya, hey ya
Anything I can do it
[x2]So put it up on your face, Hallelujah
And these days will all go by
Anything I can do to help you through it
I just love to see you smile
[x2]
