

# Supersonic (Restless Souls Remix)

## Jamiroquai

Supersonic, supersonic, supersonic  
Supersonic, supersonic, supersonic  
Supersonic, supersonic, supersonic In the whites of his eyes  
There's a supersonic vibe  
You can tell by the tears  
He's a warrior who cries  
He's supersonic  
I think he's supersonic Supersonic  
Supersonic In the whites of his eyes  
There's a supersonic vibe  
You can tell by the tears  
He's a warrior who cries  
He's supersonic  
I think he's supersonic Supersonic  
Supersonic In the whites of his eyes  
There's a supersonic vibe  
You can tell by the tears  
He's a warrior who cries  
He's supersonic  
I think he's supersonic  
I think he's supersonic  
I think he's supersonic  
I think he's supersonic  
I think he's supersonic Supersonic  
Supersonic
