

Mystery Man

The Outfield

Got a letter from a mystery man
In between the lines, he don't understand
He's on a mission in Mozambique
The room is wired and I just can't speak
In the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbye
Got to get there just as fast I can
A pink carnation on a mystery man
A rendezvous in Romania
Double agents in Australia
In the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbye
In the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbye
