

Careless Whisper (OST Deadpool)

Wham!

Time can never mend
The careless whisper of a good friend
To the heart and mind
If your answer's kind
There's no comfort in the truth
Pain is all you'll find
I should have known better, yeah I feel so unsure
As I take your hand and lead you to the dance floor
As the music dies
Something in your eyes
Calls to mind a silver screen
And all its sad goodbyes I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should have known better than to cheat a friend
And waste a chance that I'd been given
So I'm never gonna dance again
The way I danced with you
Time can never mend
The careless whisper of a good friend
To the heart and mind
If your answer's kind
There's no comfort in the truth
Pain is all you'll find I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should have known better than to cheat a friend
And waste a chance that I'd been given
So I'm never gonna dance again
The way I danced with you
Never without your love What am I without your love? Tonight the music seems so loud
I wish that we could lose this crowd
Maybe it's better this way
We'd hurt each other with the things we want to say We could have been so good together,
We could have lived this dance forever
But now, who's gonna dance with me?
Please stay I'm never gonna dance again
Guilty feet have got no rhythm

Though it's easy to pretend
I know you're not a fool
I should have known better than to cheat a friend
And waste a chance that I'd been given
So I'm never gonna dance again
The way I danced with you Now that you're gone
Now that you're gone
Now that you're gone
What I did that was so wrong?
So wrong that you had to leave me alone?
