Dig a little deeper

Athus

[Chanel]
No one can hold us back when we're set to go (go)

[Aquanette]
No one can tell us that we're not ready when we're ready to flow (flow)

[Dorinda]
Lead by example
Here's a sample on the floor

[Chanel]
Yeah, try a little harder; move a little faster if you can't find
The strength you're after

[Chorus:]
Dig a little deeper, dig a little deeper
Just like we had to do, just like we had to do
You've got to dig a little deeper, dig a little deeper

[Aquanette]
We're celebrating like we never did before (before)

[Dorinda]
Went through the fire, took it higher, check the score (the score)

[Chanel]
If you wanna be a leader check your ego at the door

[Aquanette]
Yeah, be a trend setter, be a go-getter if you want to do
Everything better

[Chorus]

[All Cheetahs]
Don't ask the question, what it is you should do
Just take some action, it'll come to you
It's all connected all you have to do
Is move baby, move baby, yeah, yeah, yeah
You're on a roll, let it go, lose control

Don't you know it's the best thing you can do

[Chorus (2x)]

You've got to dig a little deeper, dig a little deeper
