

Our Best Life (feat. Lenachka)

Charlie Peacock and Les Chanteuses

Our Best Life

Written by Charlie Peacock & Lenachka

Another day to live and have a good time

We are feeling just fine

So happy standing next to your side

Enjoying the time

Another song to sing it sounds like

You couldn't stop us if you tried

Living our best life

Standing in the sunshine

Living the story we write

We are living the good life

Standing in the sunshine

Oh, I'll stay here

See what tomorrow brings and let it show us

We're looking better all the time

And now we leave a part behind

Standing in the sunshine

We are living the good life

Standing in the sunshine

Oh, I'll stay here
