

# Passenger

Britney Spears

I can't let go of control  
I can't let go and not know  
Don't know the way ahead of me  
One day at a time is all I need  
There was a time without trust  
There was a time without love  
But it took you to show me  
I could hand over the keys I'll let you lead the way now  
Cause I want you to take the wheel  
I've never been a passenger though  
I never knew how good it could feel  
The road will twist and turn but  
I know that I am in good hands  
I've never been a passenger no  
But we'll see more without a map  
Without a map  
Without a map  
Without a map So let's talk a walk and get lost  
Let's take a chance on finding us  
I wanna see the world with you  
Every step feels so brand new  
It's hard to jump with no net  
But I've jumped and got no regret  
My co-pilot yeah that's right  
Now I can just enjoy the ride I'll let you lead the way now  
Cause I want you to take the wheel  
I've never been a passenger though  
I never knew how good it could feel  
The road will twist and turn but  
I know that I am in good hands  
I've never been a passenger no  
But we'll see more without a map  
Without a map  
Without a map  
Without a map And now we're finally falling  
Cause I was giving you half now I'm all in  
My hands in the air while you're driving  
This is living  
This is living

This is living  
Yeah I'll let you lead the way now  
Cause I want you to take the wheel  
I've never been a passenger though  
I never knew how good it could feel  
The road will twist and turn but  
I know that I am in good hands  
I've never been a passenger no  
But we'll see more without a map  
Without a map  
Without a map  
Without a map
