

Que' Onda Guero (Remixed by Islands)

Beck

See the vegetable man in the
Vegetable van with the horn that's honking
Like a mariachi band in the middle of the street
People gather around put a dollar in the can
Ay wey, quÃ© onda? tj cowboys hang around
Sleeping on the side walk with a burger king
Crown never wake them up mas cerveza till
The rooster crows vatos vergallosQuÃ© onda guero?
QuÃ© onda guero?Mano blancos roll with crowbars sing
Rancheras on cheap guitars abuelitas with
Plastic bags walking to church with their
Spanish candles dirty boracho says "quÃ© putas?
Andelay joto, your popsicles melting"
Run better run da doo run run in the midnight sunGuero where you going? QuÃ© onda guero?
Rampart boys with loaded rifles guatemalan
Soccer ball instant replays mango ladies
Vendedoras at a bus stop
Sing a banda macho chorusQuÃ© onda guero?A dondeVayas?
