

Intro

Janet Jackson

{Why?
For what reason?
It actually looks pretty cool, and it goes with the music
Five, six, seven, gaa, gaa, gaa
Ahh, gaa, ahh, ahh
Gaa, gaa, ahh
Gaa, gaa, gaa
Gaa, gaa, gaa
Ohh, no, that's not it
Hee, hee, hee, okay
Well, that's not so bad, I guess
No, no, this gotta get in, you know
I know, right?
I wish I had a lot of stuff in me now}

{Are you guys recording our conversation?
I get the feeling you are
Are you Jimmy?
What're you talkin' about?
Haa, haa, haa
Just waitin' on you, Jimmy
Okay, here I go
You can come any time, Jimmy
Haa, haa, haa, haa, haa
You sound like Fran Drescher
Haa, aah
Haa, aah
Haa, aah
...}
