

# Anyone At All

Carole King

Funny how I feel more myself with you  
Than anybody else that I ever knew  
I hear it in your voice, see it in your face  
You've become the memory I can't erase You could have been anyone at all  
A stranger falling out of the blue  
I'm so glad it was you It wasn't in the plan, not that I could see  
Suddenly a miracle came to me  
Safe within your arms, I can say what's true  
Nothing in the world I would keep from you You could have been anyone at all  
An old friend calling out of the blue  
I'm so glad it was you Words can hurt you, if you let them  
People say them and forget them  
Words can promise, words can lie  
But your words make me feel like I can fly You could have been anyone at all  
A net that catches me when I fall  
I'm so glad it was you You could have been anyone at all  
An old friend calling out of the blue  
I'm so glad it was you Anyone at all  
Anyone at all  
Anyone at all  
So glad it was you
