Letting Go Of You

Forever Changed

It was hard letting go of you;
I never want to feel that way again.
Can you recall what I said to you,
"Just let it all out now, just let it all out now.
I never want to say goodbye tonight.
I'm staying here if that's all right.
I'm never going to let you out of sight.
Don't leave me now, just hold on tight.
There's nothing left for me to do.
The plans we made have fallen through.
You just close your eyes and hold on to me."
It was hard letting go of you;
I never want to feel that way again.
"You blink and life will pass you by.
Let love prevail now; don't let it die.
I'll take you in my arms we're going home.
You're not leaving here alone, not this time.
Well I don't care what they say;
no one here is going to take you away.
Stand up one more time and hold on to me!"
It was hard letting go of you;
I never want to feel that way again.
Can you recall what I said to you,
"Just let it all out now, just let it all out now."
Don't say goodnight.
Don't say goodbye.
