

Landslide

Headhunterz

I know you see these tears, thinking I'll be alright, the mess inside these fears, you just look to the other side,
but baby don't roll your eyes, this time amount the nights but you just can't relay,
but baby don't roll your eyes, how'd liked you paralysed this to much here to stay,
and this feels like a landslide hitten bottom just about to break, and it feels like a landslide how much longer can
we hold the way,I can not wait any longer don't wanna be a fool,
I can not wait any longer so tragic I'm confused,
I can not wait any longer to stay this speak up truth,
I can not wait any longer I'm feeling out of you,and this feels like a landslide,
I'm seeing the shine so clear,
to collect for sure they made alright,
enter the wrong atmosphere where the slav wasn't meant to thrive,but baby don't roll your eyes this time
amount the nights but you just can't relay,
but baby don't roll your eyes how'd like you to paralyse this to much here to stay,
and this feels like a landslide hitten bottom just about to break,
and it feels like a landslide how much longer can we hold the way,I can not wait any longer don't wanna be a
fool,
I can not wait any longer so tragic I'm confused,
I can not wait any longer to stay this speak up the truth,
I can not wait any longer I'm feeling out of you,and this feels like a landslide,
It's the time for us to cut the wire and walk away,
I don't think that we can get much high,
Baby, it's to late
I can not wait any longer don't wanna be a fool,
I can not wait any longer so tragic I'm confused,
I can not wait any longer to stay this speak up truth,
I can not wait any longer I'm feeling out of you,and this feels like a landslide,and this feels like a landslide,
hitten bottom just about to break,
