

# You're Good My Child

Diana Ross

[Chorus:]

You're good, my child  
Move me, groove me, and hold me tight  
Let me feel your love tonight  
I don't want to make it fast  
Got to make it last  
My dear me You're good, my child  
Day by day, you're better  
Show me tonight  
Tear me up, your love's alive  
Mesmerize me  
Anything that you want it to be  
Oh baby  
Can't you see whatever you want  
I'll satisfy your every need You and me  
Oh, you're good, babe  
Everyday you're good, babe  
I'm hoping that you would come  
Spend some time today  
You're so fine, I'm glad you're mine  
Baby, please, stay [Chorus] You're good, my child  
Day by day, you're better  
Show me tonight  
Tear me up, your love's alive  
Mesmerize me  
Anything that you want it to be  
Oh baby  
Can't you see whatever you want  
I'll satisfy your every need You're good, babe  
You're good, babe  
And I'm hoping that you would come  
Spend some time today  
You're so fine, I'm glad you're mine  
Baby, please stay  
You're good, babe Every day you're good, babe  
Every day you're good, babe  
Every day you're good, babe  
Every day you're good, babe  
Every day you're good, babe

Every day you're good, babe  
Every day you're good, babe  
You're good, babe  
You're good, babe  
You're good, babe  
Every day you're good, babe  
Every day you're good, babe
