

# I Don't Want To Hang Out With Me (LP Version)

## Confederate Railroad

Now mama used to always tell me  
    'Be careful who you pal around  
    You'll only start actin' like 'em  
They'll only up and bring you down'Some people got the wrong impression  
    That I'm nothin' but a dirt road hick  
    They're never gonna see the real real me  
'Till I give ol' you know who the slipNo, I don't wanna hang out with me  
    Gotta find some new company  
    People wouldn't think mama raised me wrong  
If I could only leave myself at homeNo, I don't wanna be my friend  
    Can't nobody talk to me?  
    He just ain't the guy I thought I'd be  
No, I don't wanna hang out with meNow really, I'm the kinda feller  
    That likes a quiet evenin' at home  
    A glass of ice tea beside me  
Watchin' TV with my slippers onBut I guess it's kinda hard to see that  
    While I'm standin' up on this bar stool  
    Screamin' at the band with a beer in my hand  
And actin' like a general foolNo, I don't wanna hang out with me  
    Gotta find some new company  
    People wouldn't think mama raised me wrong  
If I could only leave myself at homeNo, I don't wanna be my friend  
    Can't nobody talk to me?  
    He just ain't the guy I thought I'd be  
No, I don't wanna hang out with meI don't wanna hang out with me  
    I got to find some new company  
    People wouldn't think mama raised me wrong  
If I could only leave myself at homeNo, I don't wanna be my friend  
    Can't nobody talk to me?  
    He just ain't the guy I thought I'd be  
No, I don't wanna hang out with meI think I am my own worst enemy  
    No, I don't wanna hang out with me
