

One Moment More

[Mindy Smith](#)

Hold me
Even though I know you're leaving
And show me
All the reasons you would stay
It's just enough to feel your breath on mine
To warm my soul and ease my mind
You've got to hold me and show me love Give me
Just one part of you to cling to
And keep me
Everywhere you are
It's just enough to steal my heart and run
And fade out with the fooling sun Oh, please don't go
Let me have you just one moment more
Oh, all I need
All I want is just one moment more
You've got to hold me and keep me Tell me that someday you'll be returning
And maybe
Maybe I'll believe
It's just enough to see a shooting star
To know you're never really far
It's just enough to see a shooting star
To know you're never really gone Oh, please don't go
Let me have you just one moment more
Oh, all I need
All I want is just one moment more Oh, please don't go
Let me have you just one moment more
Oh, all I need
All I want is just one moment more
You've got to hold me and maybe I'll believe So hold me
Even though I know you're leaving
