

# Outcast (feat. Mick Mars)

## James Durbin

Not easy enough  
The way I am makes it tough  
Come get your phone  
Don't wanna be here alone  
Someday I will be fine  
Be able to see the sunshine  
Appreciate what's mine  
Appreciate that I'm one of a kind I still believe  
Though I'm on my knees  
Yeah, I still believe You're the outcast  
You cry when we all laugh  
I'll be the one that you want to be the outcast  
You're the outcast  
I cry when you all laugh  
Outcast! Someday we will be fine  
Be able to see the sunshine  
We won't go in to it blind  
We'll appreciate that we're one of a kind I still believe  
Though I'm on my knees  
Yeah, we'll still be free You're the outcast  
You cry when we all laugh  
I'll be the one that you want to be the outcast  
You're the outcast  
I cry when you all laugh  
Outcast!
