Painted red

Crossbreed

You're red, you're so resistant
You're so intense, you're red
I'm slowly lifted, you're painted redI'm down in, I'm down in, I'm down inside
I'm down in, I'm down in, I'm down inside
I'll come in, I'll come in, I'll come inside
Swallow my kiss, when I save youYou're red and I'm inside your innocence
You're painted red now
I'm inside
