

Ooh Aah

The Grits

Hey baby, I know you want me
Whether it's wrong or right, I wanna be with you tonight
So get your things and let's go and let's get outta here
How you doing baby? You looking good
And if you could stay with me
Oh girl, I know you would, yeah
I haven't seen you in a long time
But the love you gave to me
Is constantly on my mind
Many want to say
Ooh aah oh oh
(Sometimes I say)
Ooh aah oh oh
(Come on, baby)
Ooh aah oh oh
(You make me say)
Ooh aah oh oh
There's nothing wrong with the way I feel
Because your loving, oh girl, it give me chill
You wouldn't be smiling if I was wrong
So bring your loving to me all night long
I like it when you moaned, you say
Ooh aah oh oh
(You got my money, girl I)
Ooh aah oh oh
(Candle light is burning)
Ooh aah oh oh
(Yeah yeah, yeah yeah, yeah)
Ooh aah oh oh
(Oh baby, oh)
Wanna love it, wanna touch it
Let me lay your body down
Wanna feel it, wanna taste it
Let me hear you make the sound
Wanna love it, wanna touch it
Let me lay your body down
Wanna feel it, wanna taste it
Let me hear you make the sound
(You know I want it)

Ooh aah oh oh
(I want it, baby)
(Can I have your love, baby)
(You know I want it)
Ooh aah oh oh
(Your body, want for me, yeah)
(You know I want it)
Ooh aah oh oh
(Oh, yeah)
(You know I want it)
Ooh aah oh oh
(Oh, oh, oh, oh)
(You know I want it)
Ooh aah oh oh
Wanna love it, wanna touch it
Let me lay your body down
Wanna feel it, wanna taste it
Let me hear you make the sound
(I want you)
(You know I want it)
Wanna love it, wanna touch it
Let me lay your body down
(Just stay there)
You wanna feel it, wanna taste it
Let me hear you make the sound
(You know I want it)
