Famous One

Chris Tomlin

You are the Lord, the famous one
Great is Your name in all the earth
And the Heavens declare You're glorious
Great is Your fame beyond the earthAnd for all You've done and yet to do
With every breath I'm praising You
Desire of nations and every heart
You alone are God, You alone are GodYou are the Lord, the famous one, famous one
Great is Your name in all the earth
And the Heavens declare You're glorious, glorious
Great is Your fame beyond the earthThe morning star is shining through
And every eye is watching You
Revealed by nature and miracles
You are beautiful, You are beautifulYou are the Lord, the famous one, famous one
Great is Your name in all the earth
And the Heavens declare You're glorious, glorious
Great is Your fame beyond the earthYou are the Lord, the famous one, famous one
Great is Your name in all the earth
And the Heavens declare You're glorious, glorious
Great is Your fame beyond the earthYou are the Lord, famous one
Great is Your name in all the earth
And the Heavens declare You're glorious, glorious
Great is Your fame beyond the earthYou are the Lord, the famous one, famous one
